Dear Mrs. Ruehl-Smith:

In June, our government announced an investment of approximately \$15 million to support more than 300 Seniors Active Living Centre (SALC) programs across the province — an increase of approximately \$1 million over last year.

I am happy to hear that your organization has recently received its second quarterly payment of the year. I truly appreciate the time you devote to this program, and hope that this funding will help your organization continue doing what you do best – providing a sense of community and connection for Ontario's seniors.

The overwhelming success of the program is thanks to your organization's commitment to providing seniors with resources and activities that improve their quality of life and support their safety, health, and general wellbeing.

Thank you for your work, dedication and commitment.

Sincerely,
